

Elite Performance IceMelt™ Windshield Washer De-Icer is the premium wash solution formulated specifically for severe winter driving. Nothing is more important in winter months than maximum freeze protection to prevent damage to wash lines and safeguard against impaired vision due to windshield re-freeze. Unlike generic blue washes, Elite Performance IceMelt Windshield Washer De-Icer is independently tested to provide freeze protection to -30°F. Test results are available by calling our toll-free number and requesting the latest laboratory report. Don't take chances with generic washer products – Only Elite Performance offers certified protection.

DIRECTIONS: Add contents of bottle directly to windshield washer reservoir. Do not dilute.

Winter: Be sure defrosters are operating when windshield washer is used during freezing temperatures. Apply liberally to remove light ice, frost, salt and road grime.

DANGER ☠ **POISON**
VAPOR HARMFUL, FLAMMABLE, MAY BE FATAL OR CAUSE BLINDNESS IF SWALLOWED.
CONTAINS METHYL ALCOHOL (CAS #67-56-1) AND PROPYLENE GLYCOL (CAS #57-55-6)
CANNOT BE MADE NON-POISONOUS.
KEEP OUT OF REACH OF CHILDREN AND ANIMALS.

Avoid contact with eyes. Do not swallow. Use only in well-ventilated area. Keep away from heat or open flame. Do not store in open or unlabeled containers. Store and transport in an upright position and ensure that cap is in place and tightened.

FIRST AID: If swallowed: Give 1 or 2 glasses of water. Call physician, hospital emergency room, or Poison Control Center immediately for instructions to induce vomiting. When medical advice is not available, induce vomiting with finger or back of spoon. Get prompt medical attention. In case of contact with eyes, flush thoroughly with water for 15 minutes. Get prompt medical attention.

Elite Performance™ Windshield Washer Fluid combines superior cleaning performance with certified anti-freeze protection to -20°F providing unmatched year-round washer performance.

New Elite Performance BugOff™ Washer Cleaner is specially formulated with powerful cleaning agents to cut through bug splatter, bird droppings, tree sap and road grime to restore vision and clean to a streak-free shine.

Elite Performance NonTox™ RV Antifreeze & Winterizer is ideal for all types of potable water plumbing systems and provides certified burst protection to -50°F to prevent damage to pipe lines and safeguard against rust and corrosion.

Elite Performance Summer™ Warm Weather Washer Fluid has been formulated for warmer months when maximum freeze protection is not required.
