

Austin's

Good. Clean. Done.™

**Austin's Carpet &
Upholstery Cleaner**

Since 1889, Austin's Carpet & Upholstery Cleaner has been removing ground in soil and stubborn stains from area rugs, wall to wall carpeting, upholstery, clothing and other fabrics. Even tough stains like blood, chocolate and wine are no match for its deep down cleaning power.

DIRECTIONS: Please wear gloves while using this product.

1. Vacuum the area to be treated.
2. Mix 1 cup Austin's Carpet Cleaner with 6 cups warm water. (Before cleaning, test for color fastness by applying a small amount to an inconspicuous area. If the tested area retains its' color once dry, continue.)
3. Agitate the solution with a sponge or brush until it foams.
4. Using only the foam, clean the soiled area thoroughly.
5. Blot with a clean towel and allow area to dry.
6. Vacuum.

Austin's Cleaner can be used with rotary brush cleaning machines. Prepare the cleaning solution and clean as previously stated. If suds build up quickly, use a defoaming agent. To prevent rust spotting on carpets, place aluminum foil under each leg.

CAUTION: Do not swallow. Avoid contact with eyes and prolonged contact with skin.

FIRST AID: If swallowed: Drink two to three glasses of water, then get prompt medical attention. **If in eyes:** Remove contacts. Flush eyes with water until irritation ends. If irritation continues contact your doctor. **If on skin:** Rinse with water. If irritation develops contact your doctor.

CONTAINS: Soap neutralized with potassium hydroxide, ammonium hydroxide, drying agent and perfume.
