

Spring
Scent

101

Fabric Softener

- Gently fluffs, freshens and softens your whole wash.
- Helps reduce static cling.
- Helps your laundry dryer dry clothes faster.

For Normal Washes

FOR LARGER LOADS
USE A FULL CAP

NO ANIMAL TESTING

To use, add **101** to the rinse cycle. Use 1/2 cap for normal loads. If extra softness is desired add more. If you missed the rinse cycle, add 1 ounce (2 Tablespoons) of **101** to the measuring cap and fill with water. Mix, then wet a washcloth or used dryer sheet with solution. Toss into dryer with clothes. Never pour **101** directly on fabrics. Do not use **101** in the same rinse water with bleach, bluing or starch. Note: If spotting occurs, wet fabric, rub with a bar of mild soap and rinse. In case of eye contact, rinse eyes with water. Call a doctor if an irritation develops. If swallowed, drink a glass of water.

Ingredients: An aqueous dispersion of fabric softening [cationic surfactant] agent, perfume, quality control agents, and colorant. Contains No Phosphorus. If the product freezes or thickens, dissolve with hot water before use.
