

New **Elite Performance BugOff™** Windshield Washer Cleaner is specially formulated to provide superior cleaning performance during summer driving conditions. Powerful cleaning agents quickly cut through dirt and grime to restore vision to your car, truck, camper or motorcycle.

Adding **Elite Performance BugOff™** to your windshield washer reservoir will:

- Remove Bug Splatter, Bird Droppings, Tree Sap and Road Grime
- Improve Windshield Visibility
- Clean to a Streak-free Shine

**DIRECTIONS:** Add contents of bottle directly to windshield washer reservoir. Do not dilute.

**Spring, Summer and Fall:** To remove bugs, dirt and droppings, apply liberally immediately after contact with windshield. Baked on residue may require other means of cleaning.

**CONTAINS:** WATER (CAS #7732-18-5), METHYL ALCOHOL (CAS #67-56-1), SURFACTANT, DYE. (METHYL ALCOHOL CONTENT IS LESS THAN 4%).

**CAUTION:** Elite's Bug Off Windshield Washer Cleaner is nonpoisonous. However keep out of reach of children. Avoid contact with eyes. It is not recommended to store windshield washer fluid inside the vehicle, neither in the passenger area or trunk. If the product must be transported, please secure the bottle in the trunk in a way to prevent spillage. If travel plans take you north into below freezing conditions, drain or use up this product and replace with a windshield washer fluid with antifreeze protection.

Avoid contact with eyes. Do not swallow. Use only in well-ventilated area. Keep away from heat or open flame. Do not store in open or unlabeled containers. Store and transport in an upright position and ensure that cap is in place and tightened.

**FIRST AID:** If swallowed: Give 1 or 2 glasses of water. Call physician, hospital emergency room, or Poison Control Center immediately for instructions to induce vomiting. When medical advice is not available, induce vomiting with finger or back of spoon. Get prompt medical attention. In case of contact with eyes, flush thoroughly with water for 15 minutes. Get prompt medical attention.

MRI

**Elite Performance™ Windshield Washer Fluid** combines superior cleaning performance with certified anti-freeze protection to -20°F providing unmatched year-round washer performance.

**Elite Performance NonTox™ RV Antifreeze & Winterizer** is ideal for all types of potable water plumbing systems and provides certified burst protection to -50°F to prevent damage to pipe lines and safeguard against rust and corrosion.

New **Elite Performance IceMelt™ Washer De-Icer** will protect against reservoir freeze-up to -35°F, remove light ice and frost and guard against impaired vision due to windshield re-freeze.

Regular use of **Elite Performance Dryline™** Gas Line Anti-Freeze and Isopropyl Water Remover will prevent fuel line freeze-up, aid proper combustion, protect against corrosion and reduce sludge formation.
