

Staying on top of your prescriptions has never been easier

With 4 convenient ways to get your medicine, you won't miss a dose

Kaiser Permanente offers **4 EASY OPTIONS** for you to safely get your prescriptions—including having them delivered right to your door:

1 Prescription home delivery¹

Our prescription home delivery service saves you time, money, and a trip to the pharmacy. Viewing your prescriptions online can help you keep track, so you don't run out. Whether you order online or by phone, we'll deliver most of your refills at no additional charge, usually within 3 to 5 days.

Follow these simple steps to fill a new prescription or refill an existing Kaiser Permanente prescription:

- Sign on to **kp.org** or open the KP mobile app on your smartphone.
- Select **Pharmacy** from the menu.
- From your list of prescriptions, choose the refills you need.
- Click **Go to cart** to verify your order.
- Select **Checkout**, then complete your shipping and payment information.
- Check all of the details, then click **Place my order**.
- Once the system finishes placing your order, a confirmation screen will appear.

2 Same-day delivery

Some prescriptions are available for same-day delivery by FedEx for an additional charge. Call the pharmacy that is closest to you to fill a prescription and request same-day delivery. Use **kp.org/facilities** to find your nearest Kaiser Permanente pharmacy.

3 Curbside pickup

Order your prescriptions on **kp.org** and then call the pharmacy to schedule a pickup time. Once you arrive, pull into the designated curbside pickup area and call the pharmacy to let us know you're here. We'll bring your prescription outside and safely hand it to you after verifying your identification. (Be prepared to show your member ID card and photo ID.)

If you can't make your pickup time, call the pharmacy to reschedule. Curbside pickup is offered at all locations except Prince George's Medical Center.

4 On-site Kaiser Permanente pharmacy

Come into any Kaiser Permanente pharmacy to fill a new prescription or refill an existing prescription. You can also order by phone, on **kp.org**, or on the KP app, and the prescription will be waiting for you.
