As we celebrate 40 years in ministry, there are some things that have changed and some that have not. Who would have thought we would have club meetings and share the gospel online over something called, “Zoom”?! However, the need to reach military teens and their families with the good news of Jesus is timeless. We are thankful for God’s faithfulness over the last 40 years and specifically this year.

You, our donors, helped make this ministry possible and helped us meet the needs of Club Beyond and the military teens we serve. Thank you! I continue to pray Romans 12:12 over you and this ministry, “Be joyful in hope, patient in affliction, faithful in prayer.”

**VISION:** Let every military brat believe.

**MISSION:** Celebrate life with military teens, introduce them to the Life Giver and help them become more like Him.

**STRATEGIC OBJECTIVE:** Healthy subject matter experts providing effective military youth ministry.
MCYM is a faith-based ministry, which means that the largest single source of income is raised by staff through thousands of individuals, churches, foundations and corporations who invest in the lives of military teens through their donations.

MCYM adheres to high standards of financial responsibility and transparency. To ensure that military teens benefit directly from donations, 84 cents of every dollar is spent directly on Club Beyond programs. We want to ensure that every dollar is leveraged to reach every military teen we can through staff and volunteers who spend thousands of hours being with teenagers and ensuring they experience God’s love through this relational ministry.
